

STEPHEN WILTSHIRE CLASS WEEKLY REVIEW

18.09.2026

We have a wonderful week in Stephen Wiltshire Class and are so happy with how the children are coping with, accepting and even enjoying our routines and activities. We have spent the majority of our time establishing the routines and processes involved in a typical day. All children have made progress with the meaningful use of their individual visual timetables and are beginning to respond independently to our countdown timer and transactional support songs.

The children's shared attention in our daily Attention Autism sessions which include bucket time and an attention builder has been very impressive. We are working hard to match their learning behaviours including sitting on the carpet to their focus within these irresistible invitations to learn.

Swimming was a huge success and all of the children had a wonderful time. It really was a pleasure. Thank you for sending in their kits and snacks. We are excited for next Thursday!

Emilia, our Therapy Assistant was in on Tuesday and Thursday and it was lovely to get her input and see her start getting to know the class. She very much appreciated the time you took to come and meet her before the end of the school day.

The majority of the children have spent time in their mainstream classes and we are busy working out the most effective and meaningful times for this inclusion.

We hope you have a wonderful weekend and look forward to another week of learning. Laughter and fun!

HOME LEARNING

Please refer to the Home Learning Folder with tasks that came home on Friday in your child's book bag. If they do not have a bag to fit this A4 folder, please provide one from next week onwards! Please return the Home Learning Folder by Wednesday. Thank you very much.

The children in Year 1 and Year 2 children will have also brought home a Reading Practice Book. Please celebrate their independent reading at home, write one comment in their Reading Record booklet and return to school on Monday. Thank you.

Have a look at the ['How You Can Help'](#) page on our school website.

KEY INFORMATION AND DATES

Thursday 17th September 2026 - first swimming lesson for Stephen Wiltshire Class.

Have you synced our school calendar with your android or apple device? Follow the instructions on the [calendar page](#) on our school website.

STARS OF THE WEEK

Our Curriculum Award winner this week was Aryan!

Head over to the [weekly newsletter](#) on our school website to see who else was awarded this week.

Rights Respecting School

We are a Rights Respecting School and we believe every child, young person and the school community should learn about children's rights, putting them into practice every day.

We hope that this will have a positive impact on children's lives by making:

- Children healthier and happier
- Children feel safe
- Children have better relationships
- Children become active and involved in school life and the wider world

Children fulfilling their potential in the heart of the community
