

NURSERY WEEKLY REVIEW

11.09.26

The Nursery children have had a lovely first week back. We have welcomed some new friends and enjoyed showing them the Nursery. We have enjoyed singing our favourite Nursery Rhymes and learning our days of the week song. The children have spent time painting their self portraits and building homes for different animals. They have enjoyed sharing stories with the adults in Nursery and sharing their favourite colours and foods during circle time.

Rights Respecting School

We are a Rights Respecting School and we believe every child, young person and the school community should learn about children's rights, putting them into practice every day.

We hope that this will have a positive impact on children's lives by making:

- Children healthier and happier
- Children feel safe
- Children have better relationships
- Children become active and involved in school life and the wider world

Children fulfilling their potential in the heart of the community
