

YEAR 2 WEEKLY REVIEW

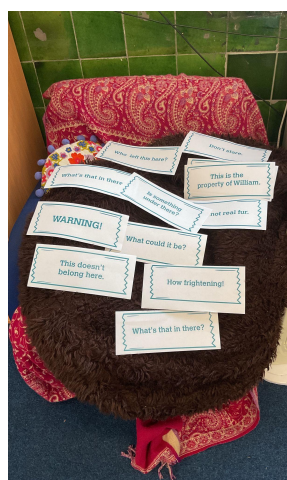

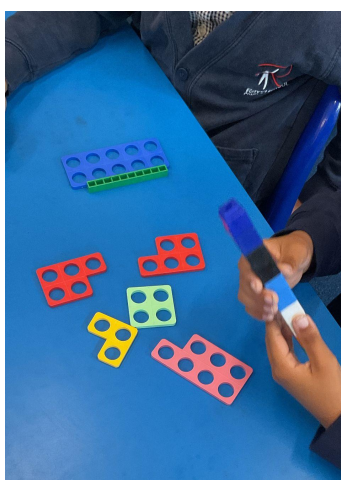

11.09.26

Welcome everyone to Year 2! We are super excited to be your teaching team for this academic year and can't wait for all the fun and learning ahead. We are Miss Greenaway, Miss Leach and Wahida, and between us we bring a depth of teaching experience that we're thrilled to share with you.

After a few gentle soft-start days last week, we've now stepped fully into our Year 2 curriculum. In Writing, we've dived into our new book *The Bear Under the Stairs*, thinking carefully about the different questions we have for the bear and exploring what the story makes us wonder. In Maths, we've been practising counting in 10s and learning to write both the numerals and the number words. In Science, we've begun exploring materials, while in Geography we've started learning about the seasons and how they change the world around us.

It's been a fantastic start, and we can't wait to deepen our learning next week as we continue settling into life in Year 2.

HOME LEARNING

Please check your child's bag for their homework folder. Homework is sent out on a **Friday** and collected back on the following **Wednesday**.

- Maths- Represent 10s numbers using pictures
- Writing- Write 2 simple sentences about what you predict is under the rug
- Optional- Create your dream library
- Reading- Read your fluency book to an adult everyday

Have a look at the ['How You Can Help'](#) page on our school website.

Rights Respecting School

We are a Rights Respecting School and we believe every child, young person and the school community should learn about children's rights, putting them into practice every day.

We hope that this will have a positive impact on children's lives by making:

- Children healthier and happier
- Children feel safe
- Children have better relationships
- Children become active and involved in school life and the wider world

Children fulfilling their potential in the heart of the community
