

YEAR 4 WEEKLY REVIEW

11.09.26

What a great week we have had!

From swimming and basketball in PE to column addition in Maths, we have all tried our hardest and learned so much this week! The children have had a fantastic time dipping their toes into our new topics. From learning all about the Ancient Egyptians, to creating 3D models of our different types of teeth. There has been lots of exciting learning taking place and we can't wait to dive deeper into these topics and discover even more together next week!

HOME LEARNING

Homework can now be found in yellow homework folders:

Maths task: Complete the column addition questions on the sheet provided.

English: Complete the sentences using the conjunctions because/as/since. The sentences to complete can be found on the homework sheet. Use the lined paper at the back of the folder.

Optional: Design our school library competition. Have a chance to win a £5 token for the book fair. Sheet to complete this can be found loose in the folder.

Other recommended: Read every day, [timestables rockstars/ timestables.co.uk](https://timestables.co.uk)

Have a look at the **'How You Can Help'** page on our school website.

Rights Respecting School

We are a Rights Respecting School and we believe every child, young person and the school community should learn about children's rights, putting them into practice every day.

We hope that this will have a positive impact on children's lives by making:

- Children healthier and happier
- Children feel safe
- Children have better relationships
- Children become active and involved in school life and the wider world

Children fulfilling their potential in the heart of the community
